WELCOME!

We are so glad you've chosen to worship with us today! We are especially excited because today we have some amazing things to celebrate.

It has been a joy during this season to watch so many people in our church serve through relationships. Over the past few months, our church has practiced the kind of hospitality mentioned in Romans 12:13 in extraordinary ways.

 THANKS-GIVING

On Thursday, December 6th we made the call to cancel the Community Christmas Party that was set for December 7th due to impending weather. As you know, the storm did not move in as expected. So, on the night of the party, several outreach team members and volunteers met at the church to minister to families who may have missed the cancellation announcement. Despite the event being cancelled, 45 families came to the church and we were able to connect with them in unique ways! What an incredible blessing. We are so thankful that this weekend we've had the opportunity to go door-to-door, personally delivering Community Christmas gifts to the community and connecting with people face-to-face. It is a joy to get to engage families for the sake of the gospel and share the love of Jesus in new ways.

Please be in prayer for all the people impacted by Community Christmas and that God would be glorified through this ministry.
