WELCOME TO HHBC

What a joyful weekend it is as we get to worship together but also prepare for Christmas Eve, where we will gather together at 4 and 6 pm to worship our Savior and King. Church family, if you have the choice, please come to the 6 pm service to save space for more guests at the 4 pm (or better yet, serve at the 4 pm and attend the 6

pm). Either way, pray now for both services and invite your neighbors and friends to come with you as we celebrate, Immanuel "God with Us."

Today we will finish our "A Thrill of Hope" series through the Old Testament prophecies of Jesus' birth. Out of the book of Micah, we will see that God is our Shepherd who leads us to His rest. My prayer is that your Christmas is different forever as a result.

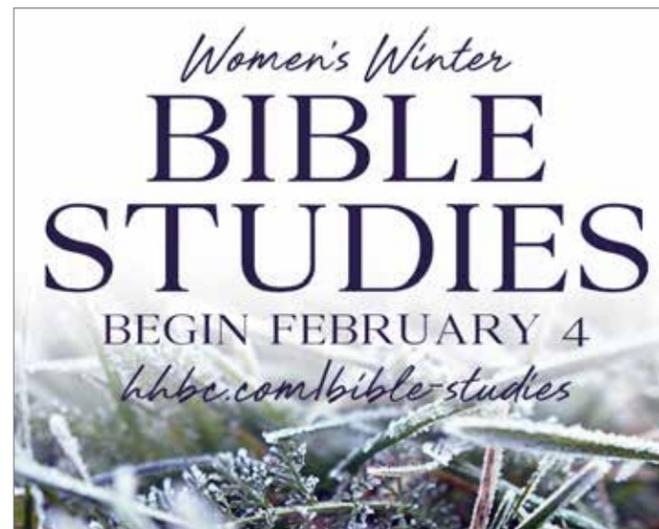

If you're new to our church, please come say hello to me before you leave today. I would love to meet you!

John Wohlgemuth, Lead Teaching Pastor

END OF YEAR GIVING

Each December we receive a significant percentage of our budget through end of year gifts. This provides ministries the resources needed to accomplish the work God has set before us. Please consider a special year-end gift to our General Fund this month. To give online, visit hhbc.com and click the "GIVE" link at the top of the page. Or, you can place your gift in the offering plate during the service or bring it to the church offices anytime. The offices will be open on December 31st from 8 am to 5 pm as well. Thank you so much for your generosity.

Also, please verify we have your correct address in the church database for year-end giving statements. If this is new to you, go to hhbc.com, click on 'member login' (top right), and click 'sign up.' You'll receive an email with a login password. Then click on 'people' and type in your name. Questions? Call Mandy at 341-4639.

MOJ FOR THE HOLIDAYS?

MOJ for the holidays sure seems like a strange gift. What happened to peace, joy, love, and grace? Wouldn't that be a better holiday wish? Here are some reasons why Ministries of Jesus might be a perfect gift to someone in need this holiday season.

Many people in our church and community face the difficult reality of being uninsured, living with pain, and learning of a bad diagnosis. The blur of these circumstances can diminish the ability to see the love of God and the peace He gives through Jesus. While many are celebrating the holidays with joy, others are struggling just to get through. Thankfully, God has placed MOJ right here on our campus to bring healing to those who are physically suffering while restoring their hope for tomorrow. MOJ provides the opportunity to remember the joy of the Savior as God heals the body.

Others have a difficult time enjoying the holidays for different reasons. Grieving a loss, growing up in a dysfunctional family, being alone, or substance abuse can make the holidays more about survival

than celebration. At MOJ, the Lord ministers to those facing these challenges every day. Hurting people are given the chance to walk through this time of year with someone by their side as God heals their soul.

The most important way God is at work through MOJ is by bringing life to the spirit of each individual who comes through the doors. Every patient and client is guided through an intake process that points them towards spiritual health. MOJ employees and volunteers pray over all those who God sends in while faithfully sharing the gospel. Many return to faith after being reminded of the Savior they once followed and several others find new life in Christ. When someone comes to MOJ, regardless of their social status, financial situation, race, gender, ethnicity, or religion, they receive the love of Christ. At MOJ, God heals the spirit.

If you or someone you know could use a gift like MOJ for the holidays, or if you'd like to help support this ministry, please visit moj.com to learn more.

SHUTTLE DRIVERS

Many of our ministries depend on our Shuttle Ministry for their transportation, and we need additional drivers to keep up with the requests. Would you consider serving in this vital role when your schedule permits? Email Sandy at srodriguez@hhbc.com for more information.

MEDICAL MISSION

Ministries of Jesus will be leading a medical mission trip to Nicaragua, May 26th - June 2nd. Medical personnel must sign up with a \$250 deposit by January 1st, all others by February 1st. An information meeting will be held at MOJ on Sunday, January 20th at 2 pm for anyone interested in going. Email Jennifer at jhill@moj.com for more information.

DIVORCE CARE

Have you been through a divorce? Is God calling you to use that difficult experience to help others? MOJ is in need of a Divorce Care co-facilitator to lead a weekly support group through a video series and discussion. Contact Kim at kswyden@moj.com if you're interested.

OLD COMPUTERS

Consider donating your older Apple/Mac computers to MOJ. They will be reformatted and refurbished and given to someone in need of a computer who cannot afford to buy one. MOJ will accept "working" Apple iMacs or laptops no older than 2010, and iPads no older than 2012, with no broken screens. Donation receipts are available for tax purposes. Please contact Sandi Newton at 340-2598.
